# SUGGESTED GUIDELINES FOR ARTISTS SEEKING SIGNATURE ARTIST MEMBERSHIP IN THE BALTIMORE WATERCOLOR SOCIETY

To help you decide whether your skills and experiences have prepared you for Signature Artist membership in the Baltimore Watercolor Society, you may wish to consider the self-assessment list below of characteristics successful Signature Artists bring to the Society. Please keep in mind that the mission of BWS is to encourage, educate, and promote *professional excellence* in the creation and development of original works of art executed in water-based media. The galleries in which we exhibit expect no less. While we welcome all artists who are eager to share the joy of watermedia painting and the camaraderie of fellow painters, Signature Artist members are expected to demonstrate a level of proficiency that is commensurate with their education and experience.

The list below is NOT a BWS list of requirements, but merely food for thought as you prepare your entry for possible BWS Signature Artist membership.
