We are pleased to announce that Baltimore artist Stewart White, AWS, NWS, will be giving a special presentation for the Baltimore Watercolor Society on the evening of Tuesday, March 25. Because Stewart's workshop (March 27 & 28) filled up so rapidly, we would like to give other members an opportunity to meet him and see him work. He will give a demonstration followed by a question and answer period. We will be using live video as well as our demonstration mirror so that everyone can see clearly.

Stewart's work has been exhibited multiple times in both American Watercolor Society and National Watercolor Society shows, and he is a signature member of both. Stewart focuses on plein air painting, and he is a Grand Prize Winner of the prestigious *Easton Plein Air Festival*. He is an invited faculty member of the upcoming *Plein Air Convention* in California. You can learn more about Stewart White and his artwork through his website at: [www.stewartwhitestudios.com](http://www.stewartwhitestudios.com).

The program starts at 7:00 pm, with the doors to the Hawthorn Center opening at 6:45. Admission is \$10 for members and \$15 for non-members. You can register at the BWS website online at "An Evening with Stewart White".
